Fees: Reminder about the fee increase. As of January 1st, 2019 Toddler fees will be \$36.00 per day and Preschool fees will be \$35.00 per day. Also, a reminder that the affordability pilot credit ended at the end of 2018.

P.J. Day: We will have another PJ Day on Friday January 18th. Wear your favourite jammies!

Rheo Thompson Mint Smoothies: Please return all money from the sale of the mint smoothies by Monday January 7th, 2019. Thank you

Handbook updates: Please take a few moments to familiarize yourself with the updates about attendance, absenteeism and vacation days. It would also be a good time to reread the handbook for a refresher as well as read our new program statement. They were both emailed to you before Christmas but they are also available on the website.

Students: We will have several students doing placements with us over the next several months. Please welcome Melissa Squire, Rachel McLean and Angela Meerssemen to the ELM family.

Renovations: Please bear with us as we have our wheelchair ramp and front porch redone. Hopefully the weather cooperates and they are completed quickly. The toddlers are using the back fenced in area of the preschool yard for their outdoor play.

Outdoor Clothing: Just a reminder to make sure your child has the proper outdoor clothing. They need coat, snowpants, hat, two pairs of mittens and winter boots everyday. Please make sure all your child's items are labelled as it makes it easier to identify their items.
