March Break: March 11th-15th is March Break. If your child will be away from the daycare during this time please notify a staff member ASAP.

Fundraisers: Thank you to all those families that participated in the Cinnabon fundraiser. Paint Nite: We have to postpone this fundraiser due to lack of ticket sales. We will announce a new date ASAP and appreciate the support of all our families in promoting this event.

All Weather Play: According to our new ministry guidelines daycares are to now include all weather outdoor play in our curriculum. This means the children will be encouraged to play outside during rain, snow and sun. They will be allowed to explore puddles, mud and various other results of the elements. Please ensure that your child always have a change of clothes (including socks) available as they will get wet/dirty

during these outdoor sessions. Thank you for helping the children to enjoy their outdoor time.

Student: We currently have a Co-op student working at the center. Morgan will be working in the preschool room until the end of April and then she will be finishing her co-op in the toddler room until June. She will be with us from 9am until 1:15pm daily. Please introduce yourself if you see her in the program. We also have a university student with us for the next couple weeks as well. Introduce yourself to Angela as well.

Graduation: Parents, graduation is fast approaching and with it comes the task of taking graduation photos. As we have so many graduates this year we will begin to take photos during March Break and continue to take them throughout the next two months. Once the photos are complete Deb will send them to you via email.

Summer Vacation: If your child will be not be attending the daycare during the summer months please be advised that we require a two week notice as to their last day at the centre. We are also asking that you please notify the staff A.S.A.P. about any summer holidays that your child will be taking. This will allow us to staff accordingly for the summer.

SeeSaw and Facebook: We ask that you please keep tabs on our SeeSaw and Facebook pages on a regular basis as this is a main source of communication between the daycare, the parents and our community.
